

2014 MISSOURI EXPORTS

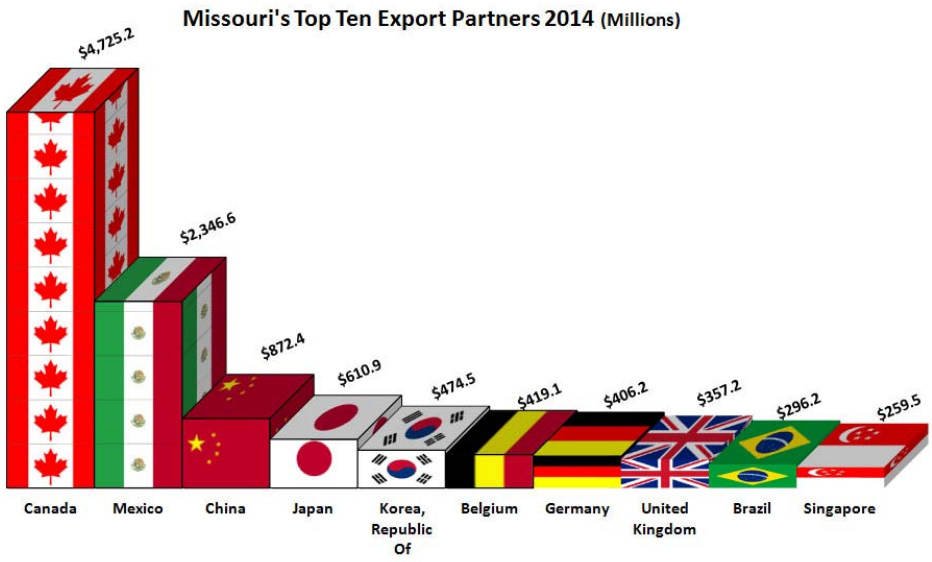

Missouri's exports totaled $14.1 billion in 2014, according to the U.S. Census Bureau Foreign Trade Division and WISERTrade. Quarterly averages exceeded $3.0 billion and were led by second and fourth quarter activity. Eight export categories increased by over $8 million, including two categories which increased by over $100 million. The top two categories for net increases in exports were *Transportation Equipment* with a $509.9 million increase and *Chemicals* with a $135.9 million increase. The fastest growing export categories were *Beverage and Tobacco Products* (56%) and *Leather and Allied Products* (52%).

Four industries exceeded $1 billion in exports and account for 62% of all 2014 exports. They include *Transportation Equipment* ($3.2 billion), *Chemicals* ($2.4 billion), *Food and Kindred Products* ($1.6 billion) and *Machinery* ($1.5 billion). The number one growth industry was *Aerospace Parts* with $814 million in exports and a 60% increase. Next was *Motor Vehicles*, with $1.7 billion in exports and a 12% increase. *Pesticides, Fertilizers and Other Agricultural Chemicals* was the fastest growing export of the *Chemicals* industry with over 29% growth from 2013. Overall exports in 2014 were up 9.4% from the prior year.

Export Partners

Half of all Missouri's export income came from the top three recipients. Canada purchased almost $4.7 billion in goods, followed by Mexico ($2.3 billion), and China ($872 million). The top four export recipients remained unchanged from 2013. Korea edged up one place to 5th while Belgium slipped to 6th. Brazil moved up to 9th slipping Singapore into 10th place.

A significant growth in the purchase of *Minerals and Ores* boosted exports to Canada and Korea. Mexico spent an additional $84.8 million on *Electrical Equipment, Appliances and Components* and $59 million on *Primary Metal Manufacturing*. Brazil showed marked increase of expenditures of *Chemicals* and *Plastic and Rubber Products*.
