

Missouri Economic Research Brief
Metropolitan Export Report
Jefferson City, MO

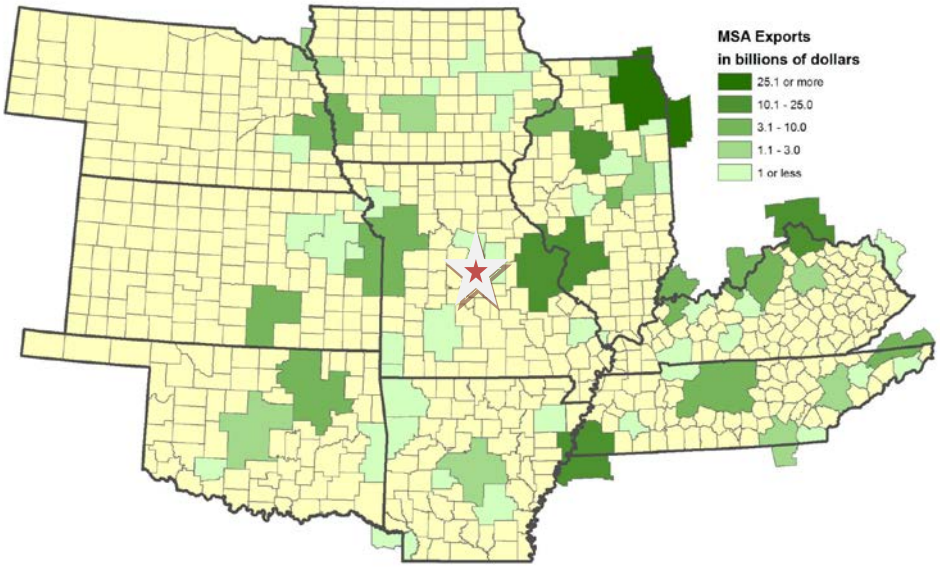

This report examines metropolitan exports as collected from the U.S. Census through 2013. The data originates from shipper's export declarations and represents an origin of movement (OM) series. The OM series is designed to track movements of merchandise out of the country and does not necessarily indicate the area of production.

In 2013, the Jefferson City Metro Area exported over $208 million in goods and services ranking the area 7th overall within Missouri and 48th among metro areas in the nine state region. Jefferson City outpaced Pine Bluff, AR in total export dollars and fell just below Elizabethtown, KY in rank.

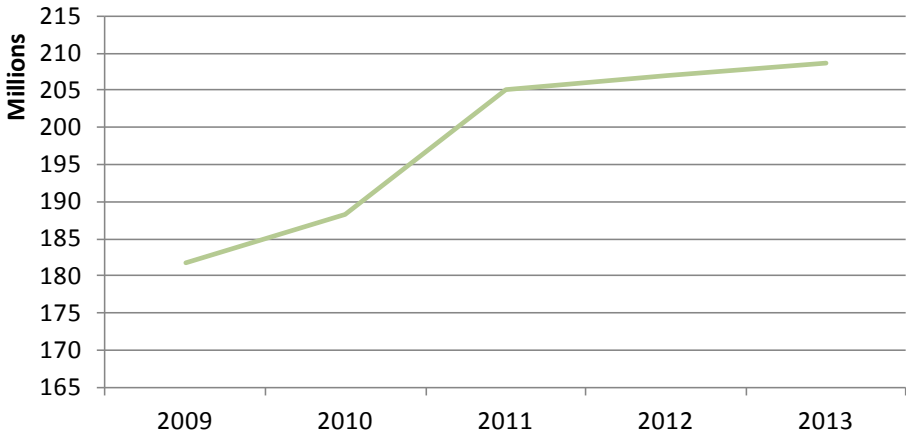

Jefferson City metro area exports increased from 2009 to 2013 exporting a over $1.19 billion in goods and services over the five years.

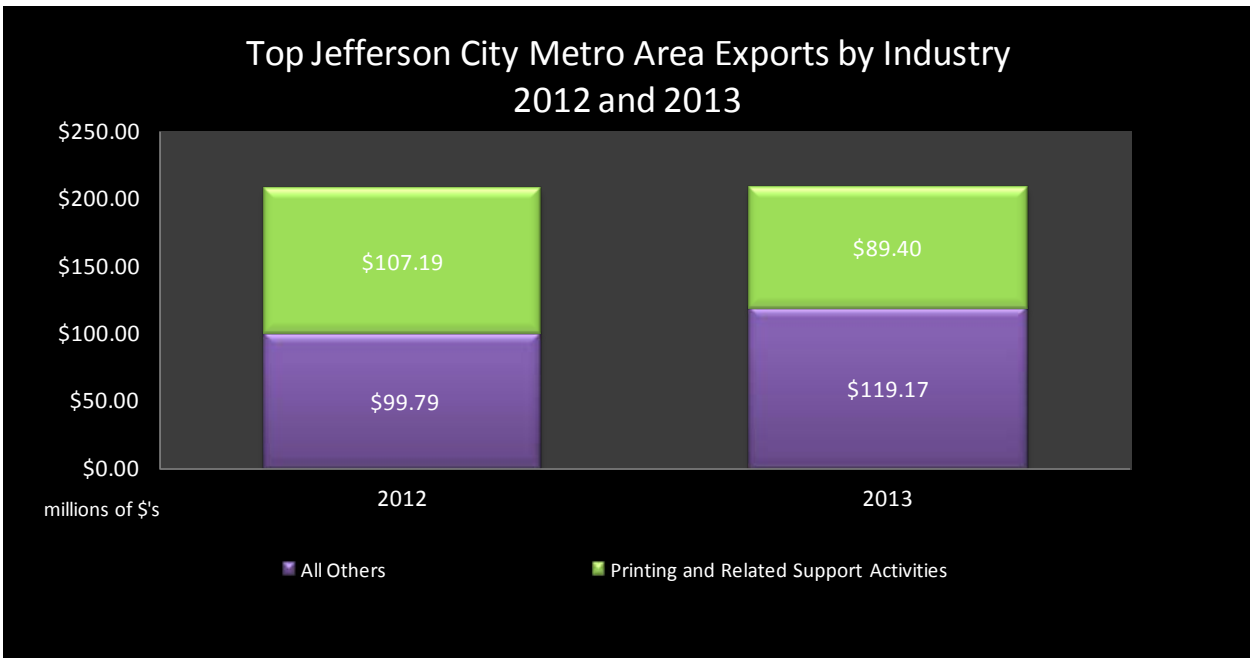

Exports increased 14.8% from 2009 to 2013 in the Jefferson City metro area.

Missouri & Surrounding State Metropolitan Areas by Total Export Dollars 2013
